Ms. Zaynah Bhanji

Mississauga, Ontario,

Dear Ms. Bhanji,

Congratulations on all your work in the artificial intelligence field. It is incredible to see someone so young so involved in the sciences and understand the importance of getting more girls interested in STEM.

Your diligence and perseverance is certainly paying off and you deserve a lot of credit for your statement at the “six under-16 extraordinary young people” business conference. I truly hope you continue to inspire more incredible young women like yourself to get involved in the sciences.

I look forward to hearing about your bright future.

Kindest personal regards,
